5.	JP01-VALVES-EXT-005	JP01-VALVES-EXT-005.000	Collar Ø44mm	2
6.	JP01-VALVES-EXT-0006	70NBR103F	O ring Ø37 X 2	2

## Installation Manual

## Technical warnings

The pipes have to be rinsed before installation to avoid the pressure differences.

Use a pressure reducer when static pressure is higher than 5 bar to avoid the damage to the cartridge.
